### Worldwide Intraregional and Interregional Air Passenger Traffic Volume Distribution

**Air traffic distribution (2019)**

<table>
<thead>
<tr>
<th>Region</th>
<th>Air freight traffic (million tones)</th>
<th>Percentage</th>
</tr>
</thead>
<tbody>
<tr>
<td>Worldwide</td>
<td>56.6</td>
<td>100%</td>
</tr>
<tr>
<td>Intraregional (within a region)</td>
<td>42.2</td>
<td>75%</td>
</tr>
<tr>
<td>Interregional (between regions)</td>
<td>14.4</td>
<td>25%</td>
</tr>
</tbody>
</table>

**Freight Distribution**

**within a region**
- **Highest:** North America (52.1%)
- **Lowest:** Middle East (0.5%)

**between regions**
- **Highest:** Europe and Asia/Pacific (13.2%)
- **Lowest:** Middle East and Latin America and the Caribbean (0%)
